RE: Termination of suspension of liquidation in the countervailing duty investigation of certain crystalline silicon photovoltaic products from the People's Republic of China (C-570-011)

1. In keeping with the World Trade Organization agreement on subsidies and countervailing measures, Commerce is instructing U.S. Customs and Border Protection (CBP) to discontinue the suspension of liquidation of entries concerning the countervailing duty investigation of certain crystalline silicon photovoltaic products from the People's Republic of China effective 10/08/2014, which is 120 days after the date of publication of Commerce's preliminary determination.

2. The products covered by this investigation are described in message 4034301 dated 02/03/2014.

3. This investigation has been assigned investigation number C-570-011.

4. CBP shall discontinue the suspension of liquidation for countervailing duty purposes on all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after 10/08/2014. The suspension of liquidation will not be resumed unless and until the final affirmative determination on this case is published in the Federal Register by the U.S. International Trade Commission. CBP shall continue to suspend liquidation on all shipments entered, or withdrawn from warehouse, for consumption made during the period 06/10/2014 through 10/07/2014 until the conclusion of the countervailing duty investigation.

5. These discontinuation instructions do not affect the requirements of a cash deposit or bond on entries subject to the suspension of liquidation announced in Commerce's preliminary determination in the companion antidumping duty investigation of certain crystalline silicon photovoltaic products from the People's Republic of China.
